How to use the Virtual Key:

Be sure to check your email for the virtual key app, Direct Key, used to open the Bluetooth locks on your room door and common area door locks. It is different than the pre-registration email. It may appear in your junk. It works best when you are at the hotel and connected to the hotel Wi-Fi (Apalach1). If you have any issues and need to reach out, please call 850-526-1455 until 9 pm (11 pm on Friday & Saturday).

Use your direct key to enter your room and use the app to open the lobby door after 11 pm. To reach staff after 9 pm (11 pm on Friday & Saturday), please call 850-629-8818 for any emergencies.

If you would like a physical key for each room, you may pick them up at 329 Water St. at the front desk of the Water Street Hotel and Marina for a \$10 fee.
